**Subject:** RE: SDP20-00001 - HS/ES 2R review

Eric,  
We reviewed the updated traffic study and their responses to our comments. We feel they adequately addressed the concerns we raised with the updated report. Please note that we did not review their responses to comments made from the City of Sammamish. Do you need for us to respond in any way via the Bluebeam session or is this email enough? Thank you.

Jon Pascal PE, PTOE | Principal
